

5TH WHEEL QD STURGI-STAY KIT

Hook your propane system to an auxiliary LP cylinder to avoid the need to move your RV to feed the propane supply when staying in one location for extended periods of time.

See page 17

SAFE T ALERT™

DUAL PROPANE / CO ALARMS

Alarm Mute button silences alarm while RV is ventilated. Rapid recovery sensor resets when silenced or reactivates alarm if dangerous levels of propane remain.

See page 03
